In the event an individual requests the advance of funds in order to defend an action, claim, suit or proceeding referenced in section 50.1, the Board may approve such advance.

DISPUTE RESOLUTION

51. **Dispute Resolution Mechanism.** In the event that a dispute or controversy among members, directors, officers, committee members or volunteers of the Corporation arising out of or related to the articles or by-laws, or out of any aspect of the operations of the Corporation is not resolved in private meetings between the parties, then without prejudice to or in any other way derogating from the rights of the members, directors, officers, committee members, employees or volunteers of the Corporation as set out in the articles, by-laws or the Act, and as an alternative to such person instituting a law suit or legal action, such dispute or controversy shall be settled by a process of dispute resolution as follows:

- 51.1. The dispute or controversy shall first be submitted to a panel of mediators whereby the one party appoints one mediator, the other party (or if applicable the board of the Corporation) appoints one mediator, and the two mediators so appointed jointly appoint a third mediator. The three mediators will then meet with the parties in question in an attempt to mediate a resolution between the parties.
- 51.2. The number of mediators may be reduced from three to one or two upon agreement of the parties.
- 51.3. If the parties are not successful in resolving the dispute through mediation, then the parties agree that the dispute shall be settled by arbitration before a single arbitrator, who shall not be any one of the mediators referred to above, in accordance with the provincial or territorial legislation governing domestic arbitrations in force in the province or territory where the registered office of the Corporation is situated or as otherwise agreed upon by the parties to the dispute. The parties agree that all proceedings relating to arbitration shall be kept confidential and there shall be no disclosure of any kind. The decision of the arbitrator shall be final and binding and shall not be subject to appeal on a question of fact, law or mixed fact and law.
- 51.4. All costs of the mediators appointed in accordance with this section shall be borne equally by the parties to the dispute or the controversy. All costs of the arbitrators appointed in accordance with this section shall be borne by such parties as may be determined by the arbitrators.

GENERAL

52. **Method of Giving Any Notice.** Any notice (which term includes, without limitation, any communication or document or other information) to be given (which term includes, without limitation, sent, delivered, received or served) pursuant to the Act, the Articles, the By-laws or otherwise to a Member, Director, Officer or member of a committee of the Board or to the public accountant shall be sufficiently given:
- 52.1. if delivered personally to the person to whom it is to be given or if delivered to such person's address as shown in the records of the Corporation or in the case of notice to a Director to the latest address as shown in the last notice that was sent by the Corporation in accordance with the Act;
- 52.2. if mailed to such person at such person's recorded address by prepaid ordinary or air mail;
- 52.3. if sent to such person by telephonic, electronic or other communication facility at such person's recorded address for that purpose; or

52.4. if provided in the form of an electronic document in accordance with the Act.

A notice so delivered shall be deemed to have been given when it is delivered personally or to the recorded address as aforesaid; a notice so mailed shall be deemed to have been given when deposited in a post office or public letter box; and a notice so sent by any means of transmitted or recorded communication shall be deemed to have been given when dispatched or delivered to the appropriate communication company or agency or its representative for dispatch. The Secretary may change or cause to be changed the recorded address of any Member, Director, Officer, public accountant or member of a committee of the Board in accordance with any information believed by the Secretary to be reliable. The declaration by the Secretary that notice has been given pursuant to this By-law shall be sufficient and conclusive evidence of the giving of such notice. The signature of any Director or Officer of the Corporation to any notice or other document to be given by the Corporation may be written, stamped, type-written or printed or partly written, stamped, type-written or printed.

53. **Invalidity of any Provisions of this By-law.** The invalidity or unenforceability of any provision of this By-law shall not affect the validity or enforceability of the remaining provisions of this By-law.
54. **Rules of Order.** Meetings of the Corporation shall be conducted according to the then most recent edition of Robert's Rules of Order, or such other rules of order which may be approved by the Board from time to time.
55. **Omissions and Errors.** The accidental omission to give any notice to any Member, Director, Officer, member of a committee of the Board or public accountant, or the non-receipt of any notice by any such person where the Corporation has provided notice in accordance with the By-laws or any error in any notice not affecting its substance shall not invalidate any action taken at any meeting to which the notice pertained or otherwise founded on such notice.
56. **By-laws and Effective Date.** This By-law shall be effective on the issuance of a Certificate of Continuance by Industry Canada in respect of the Corporation.
57. **Amendment of By-laws.** Subject to the Articles, the Board may, by resolution, make, amend or repeal any by-laws that regulate the activities or affairs of the Corporation. Any such by-law, amendment or repeal shall be effective from the date of the resolution of Directors until the next Meeting of Members where it may be confirmed, rejected or amended by the members by Ordinary Resolution. If the By-law, amendment or repeal is confirmed or confirmed as amended by the Members it remains effective in the form in which it was confirmed. The By-law, amendment or repeal ceases to have effect if it is not submitted to the Members at the next Meeting of Members or if it is rejected by the Members at the meeting. This section does not apply to a By-law amendment that requires a Special Resolution of the members according to subsection 197(1)

(fundamental change) of the Act because such By-law amendments or repeals are only effective when confirmed by Members.

58. **Repeal of Prior By-laws.** All previous by-laws of the Corporation are repealed as of the coming into force of this By-law. Such repeal shall not affect the previous operation of the previous by-laws or affect the validity of any act done or right, privilege, obligation or liability acquired or incurred prior to its repeal.
